

## **Dakota's Limited 3 Year Acrylic Tub Warranty**

### **PLEASE READ CAREFULLY AND RETAIN FOR YOUR RECORDS.**

Dakota Plumbing Products LLC warrants its acrylic products, excluding plumbing fittings (see specific warranty exclusions outlined below for these products) to be free from defects in materials or workmanship for 3 years to the purchaser starting from the date of purchase. Dakota Plumbing Products promises to provide a replacement acrylic part for any acrylic part of this product that proves upon our inspection and from the date of purchase, to be defective in material or workmanship. All labor for de-installation and re-installation and transportation costs or charges incidental to warranty service are to be borne by the owner. Dakota Plumbing Products provides no warranties, written or oral, beyond those contained on the face hereof.

**EXCLUSIONS:** In no event shall Dakota Plumbing Products be liable for incidental or consequential damages, for damages resulting from improper installation or for damages caused by handling, neglect, abuse or alteration. All implied warranties, including any warranty of fitness for any particular purpose of merchantability, or those that might arise from a course of dealing with the purchaser or usages of trade, are hereby disclaimed or excluded. Dakota Plumbing Products warrants its acrylic tub to be free from defects in material or workmanship for a period of one year from the date of purchase. Dakota promises to provide a replacement acrylic tub for any acrylic tub and/or plumbing fitting product that proves, upon our inspection and within one (1) year from the date of purchase to be defective in material or workmanship. All labor for de-installation and re-installation and transportation costs or charges incidental to warranty service are to be borne by the owner. Dakota Plumbing Products shall not be responsible or liable for any failure or damage to its acrylic trim, plumbing fittings or acrylic products caused by the use of either chloramines or high concentration of chlorine, lime/iron sediments and/or other minerals not removed from public water during the treatment of public water supplies or caused by cleaners containing chlorine, calcium hypochlorite and/or other chemicals. Responsibility for compliance with local code requirement is the sole responsibility of the installer. (Since code requirements vary greatly, distributors, dealers, installation contractor and users of plumbing products should determine whether there are any code restrictions on the installation or use of a specific product.)

**NOTE:** Some states do not allow limitations on an implied warranty, and some states do not allow exclusions or limitations regarding incidental or consequential damages, so the above limitations may not apply to you. This warranty gives you specific legal rights and you may have other rights which vary from state to state. No person is authorized to change, add to, or create any warranty or obligation other than set forth herein. This is our exclusive written warranty.
